LOS ANGELES —CLAY LA 2024 at Craft Contemporary is making its much-anticipated return. This two-day open market and celebration of all things clay will feature shopping, music, hands-on clay activities, and an early shopping preview event.

CLAY LA is an annual ceramics sale and fundraising event at Craft Contemporary that brings together the vibrant clay community and showcases emerging and established ceramic makers from the Greater Los Angeles area. Meet and shop from some of LA's most vibrant and dynamic ceramic artists, celebrated for their diverse and distinctive contributions to art and design.

This year's signature ceramic event at Craft Contemporary will be celebrating its 8th year at our museum and with it the hundreds of artists who have participated, thousands of visitors who have supported local artists, and our communities continued engagement with Craft Contemporary's ceramic and clay-based programming, workshops, sales, and exhibitions.

The museum strives to achieve equitable access through free and low-cost programs, and the inclusion of multiple teaching artists from communities throughout Los Angeles who offer unique art-making workshops, K-12 school programs, senior adult workshops, and art talks.
